The maritime job market of Schiff&Hafen

effective from January 1st 2023

Schiff&Hafen is the right medium for your job advertisement if you want to

- search for technically highly qualified personnel
- want to conduct effective recruiting in the maritime business
- want to present yourself as an employer in a professional environment
- want to avoid scattering losses

Here you will find clever minds...

The specialist pages on career and personnel management offer the ideal environment for this. To reach the entire maritime readership, you can optionally book the newsletter package and/or the online package as well.

Newsletter package:

Your job advertisement with company name, title and link will appear twice in the Schiff&Hafen Newsletter and in the THB Newsletter. You have the chance of 20,000 contacts. The publication dates are flexible within six weeks.

Online package:

Your job advertisement will be posted (as soon as we receive your print copy) for six weeks on www.schiffundhafen.de and www.thb.info in the job exchange – it will appear online before your print advertisement!

Price list:

1/1 page 183 x 248 mm € 4,100	1/2 page, horizontal 183 x 125 mm € 2,400	1/4 page, horizontal 183 x 63 mm € 1,500	1/4 page, vertical 87 x 125 mm € 1,500
-------------------------------------	--	---	--

All rates for 4C printing in CMYK plus VAT.

Situation vacant per mm (single column, 4C)	€ 8.00
Situation wanted per mm (single column, 4C)	€ 3.50
Box number charge	€ 15.00

ANZEIGE

Führende Leeraner Offshore-Reederei UOS nimmt BASSnet Fleet Management in Betrieb

19. April 2022

United Offshore Support GmbH (UOS), führender deutscher Offshore-Service-Provider, geht erfolgreich mit BASSnet 2.11 zur effizienten Steuerung und Optimierung seiner Schiffmanagementprozesse live

UOS hat im Rahmen eines umfassenden Digitalisierungsprojektes und der damit verbundenen Implementierung neuer Prozesse für das Management unserer Flotte nach einer voll integrierten IT-Lösung gesucht, die unseren strategischen Anforderungen entspricht. BASSnet war hier die beste Wahl für uns", sagt Volker Tebben, CFO von UOS. "BASSnet ermöglicht uns mit seiner Plattform, unser Risikomanagement sowie unsere Geschäftsprozesse und betrieblichen Abläufe durchgehend zu digitalisieren und zu optimieren. Die Transparenz transaktionsbezogener Daten und nicht zuletzt deren

Webinar – Go online with us together!

The term webinar is composed of the words web and seminar and describes the **modern form of an Online conference** or training, which can be transmitted to the Internet using various online tools.

The biggest advantage of a webinar is that it can be followed from almost anywhere in the world and that by an unlimited number of participants. The only requirement is a desktop or a mobile device that has a stable network connection.

We combine for you our decades of experience in the maritime industry and in the implementation of various events with a cutting-edge form of event online presence. We would like to assist you with the implementation of your webinars with the support of our editorial and technical know-how.

We offer you:

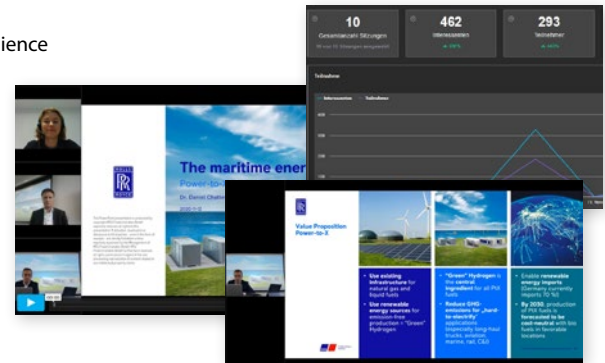

- An experienced contact person who will accompany you very closely in communication throughout the entire project
- A professional implementation of the webinar via a user-friendly online tool
- Our network in the maritime industry for the content design of your format
- The handling of the entire participant and speaker management
- A marketing plan which is tailor-made for your webinar in order to reach your potential audience
- The supply of the prepared video material following the online event
- A long-term platform for webinar review
- A detailed evaluation and analysis of the webinar data
- Lead Generation

Possible areas of application:

- E-Learning
- Introduction and explanation of (new) products
- Online interviews and discussions
- Company internal communication platform
- Replacement for a meeting on the spot to cover distances

Your benefits:

- Information of the participants regardless of the location
- You benefit from our publishing network and with our help you can design versatile programs
- Greater reach in marketing activities
- Through detailed analysis and feedback from the participants, you can draw long-term conclusions for your company
